

120kW solar energy storage cabinet product warranty

Overview

A: Solar panel's lifetime are 25 years, charger controllers 5~ 7 years, inverters 5~7 years, batteries 6~8 years. Q: What is the protection of photovoltaic strength generation, how to deal with lightning strikes, hail, leakage, and different problems?

Delong 120kWh energy storage cabinet is equipped with a battery, inverter, high-voltage box, air conditioner, and fire protection system. The complete all-in-one design provides you with ultimate safety and convenience. LFP batteries, redundancy design. Helping to minimize energy costs, it delivers standard conformity, scalable configuration, and peace of mind in a fully self-contained solution. 97%/3 mont ct are stored at below 40°C, er od is required, contact ntegrated equipment due to the weight ave the same performance as the faulty equipment. Huawei d ical enquiry or pro. They offer quality control services and full customization including design-based customization. This product has acquired the relevant product qualification (s)/license (s) of certain applicable country/countries.
