

Battery storage cabinet 10MWh warranty

Overview

It features a 10-year warranty, a cycle life of 6000 cycles, and supports custom OEM/ODM services. The system includes advanced liquid cooling and utilizes reliable LiFePO4 battery technology with a wide DC voltage range of 153. Feature highlights: This Outdoor BESS Battery Cabinet offers versatile energy storage solutions with capacities ranging from 200KWH to 10MWh, suitable for various container sizes including 10ft, 20ft, and 40ft. It features a 10-year warranty, a cycle life of 6000 cycles, and supports custom OEM/ODM. By comprehensively applying the complementary advantages of energy storage, wind power, photovoltaics and diesel power generation, we can achieve optimal energy allocation, enhance regional energy self-sufficiency, reduce the construction and maintenance costs of traditional distribution systems. BESS is a battery energy storage system with inverters, battery, cooling, output transformer, safety features and controls. Helping to minimize energy costs, it delivers standard conformity, scalable configuration, and peace of mind in a fully self-contained solution. The battery system contains. balance of the original Warranty period will apply. Charging/Discharging Current Max.
