

Extra Large Outdoor Energy Storage

Overview

Outdoor large-capacity energy storage offers stronger storage capability, easily handling the high-power electricity needs of factories, business parks, and large-scale events. Suitable for outdoor construction, field operations, and emergency. Estimated ship dimensions: 118. 14 pounds We regret that this item cannot be shipped to PO Boxes. This item cannot be shipped to the following locations: American Samoa (see also separate entry under AS), Guam. Hubble Energy's Outdoor and Container Solutions are fully integrated, all-in-one energy solutions designed for reliable off-grid and backup power in even the most demanding environments, whether in agriculture, manufacturing, eco-tourism, or SME operations. We have many types of sheds, from easy-to-assemble, premade sheds to sheds you can build with do-it-yourself (DIY) kits. These outdoor battery enclosures, which come in all shapes and sizes, are designed to withstand extreme elements, climates and environments.
