

High-efficiency supplier of intelligent photovoltaic energy storage containers

Overview

Highjoule provides advanced BESS solutions for C&I applications, including energy storage cabinets (30kWh-1MWh), containerized systems (1MWh-30MWh+), and fully customized solutions. Safe and efficient energy storage tailored for industrial and commercial needs, providing flexible solutions for an efficient. Energy Storage System Products List covers all Smart String ESS products, including LUNA2000, STS-6000K, JUPITER-9000K, Management System and other accessories product series. This system is realized through the unique combination of innovative and advanced container. At EPC Energy, we offer more than just energy storage products — we provide comprehensive solutions designed to ensure the success and smooth operation of your projects. Our product packages include not only state-of-the-art battery energy storage systems but also expert engineering services to.
