

Is the photovoltaic sunshade installed for free

Overview

The short answer is no, you can't get free solar panels from the government. That being said, there are many incentives put in place by the Federal Government to help homeowners transition to solar energy to power their homes. Companies that offer “free” solar panels are typically offering solar lease agreements, so you can reap the benefits of solar-powered electricity without dealing with the upkeep and maintenance of the panels. “I have never seen an advertisement offering free solar that is not a lie,” Neil Gallagher of Brighterway Solar, a solar installation company in Florida, told us. “Most small-scale solar installations go on the roof. California's Low-Income Weatherization Program (LIWP) provides low-income households with solar photovoltaic (PV) systems and energy efficiency upgrades at no cost to residents.
