16 Companies and suppliers for solar panels ✓ Find wholesalers and contact them directly ✓ Leading B2B marketplace ► Find companies now! 16 Companies and suppliers for solar panels ✓ Find wholesalers and contact them directly ✓ Leading B2B marketplace ► Find companies now! Lightenjin II - Indústria de Iluminação, LDA is a Portuguese manufacturer specializing in innovative, human-centric lighting solutions across various sectors. Their product range includes high-efficiency luminaires that utilize advanced LED technology and lighting control systems, along with energy. Luzza represents the greatest brands of the Portuguese Lighting sector. We can customize different lighting solutions that result in limited series and unique products. This enthusiasm leads us not to be content with what already exists or with the norm. It takes. With over 12 years of experience, Lumiled started its business by providing equipment to cancel reactive energy, which helps companies save a large amount of electricity bill payments. The factory of Chatron, Lda is positioned in Lisbon Portugal.
