

Longi 555W photovoltaic panel parameters

Overview

The Longi 555W Solar Panel, part of the Hi-MO 5m series (Model: LR5-72HPH), delivers exceptional performance with a power output ranging from 535W to 555W. This module is designed using M10 gallium-doped wafers, smart soldering, and a 9-busbar half-cell configuration. One remarkable innovation in this field is the Longi 555w solar panel, which promises to revolutionize the way we harness the sun's energy. This groundbreaking technology brings together cutting-edge engineering and advanced materials to offer unrivaled efficiency and performance. With a maximum efficiency of 22.5%, LONGi provides you with the most comprehensive product data information so that you can quickly understand LONGi's full range of products. Longi's bankability, reputation, quality, and service guarantees that our clients will be pleased with their purchase and get the funds needed to complete their projects without issue.

Longi 535-555W Solar Panel Datasheet | PDF

LONGI 535-555W SOLAR PANEL DATASHEET - Free download as PDF File (.pdf) or read online for free.

LONGi Solar | Hi-Mo 5 LR5-72HIH 535-555 | Solar ...

Detailed profile including pictures, certification details and manufacturer PDF.

LONGi Solar 555W Half-Cut LR5-72HPH Hi-MO5m photovoltaic panel

555W, with an impressive efficiency of 21.5%. Monocrystalline PERC, with 144 cells (72 in Half-Cut configuration). This panel incorporates the latest innovations in solar technology to deliver superior ...

LONGI 555W

Its advanced mono PERC technology and robust construction make it a reliable choice for harnessing solar energy, especially in the sunny climate of South ...

LONGi-Downloads

LONGi provides you with the most comprehensive product data information so that you can quickly understand LONGi's full range of products.

PHOTOVOLTAIC PANEL LONGI 555W

A typical 4kW solar panel system for 2-3 bedroom houses costs £5,000 - £6,000 with installation. Added together, the total cost of solar panels and a battery in the UK is £13,000 - £15,500.

Longi 555w Datasheet

In this section, we will explore the efficiency and performance of the Longi 555w solar panel. By examining its operational characteristics and output capabilities, we can gain a deeper understanding ...

Longi Hi-MO-5 LR5-72HBD 540W 545W 550W 555W 560W Dual ...

These panels are efficient and durable, providing excellent energy conversion. Choose us for your solar energy needs and enjoy reliable and clean power solutions.

LonGi 555W Solar Panel (LR5-72HPH 535~555M) – ...

The LonGi 555W Solar Panel, part of the Hi-MO 5m series (Model: LR5-72HPH), delivers exceptional performance with a power output ranging from 535W to ...

Longi Hi-Mo-5

Uniform smart soldering enhances power and efficiency, while gallium-doped technology prevents LID degradation. Bifacial modules also increase energy yield with verified additional power from the ...
