

Muscat solar panel price

Overview

Symtech Solar MENA is a Muscat-based International company who designs and installs solar power systems for domestic, commercial and industrial clients. We take care of all permitting requirements and remove the obstacles to going solar. Everyone can. If you own a property with a flat roof, you can install solar. If you have offices with a flat roof or land available for solar panels, you can. The project cost is borne by the client with the client benefitting from free electricity for approximately 15-18 years. The output of the system is guaranteed for 25 years. Symtech Solar MENA offers a number of innovative payment options for clients. For commercial and industrial clients up to 10 Megawatt installation size, we offer the following options; The client provides the space for the solar installation and has minimum upfront investment. Symtech Solar partners with a bank or financial institution.
