

Off grid solar power inverter in Melbourne

Overview

Welcome to GridFree Solar — your trusted partner for solar installation, battery storage and rebate-claims in Melbourne. Founded with a mission to make sustainable, affordable energy accessible, GridFree Solar combines expert technical know-how with genuine customer service. GES Energy supplies, designs and installs off-grid solar systems for clients in Victoria, including those who live in remote, isolated locations. We have in-house off-grid solar installers who are accredited by Solar Accreditation Australia (SAA), ensuring that your system is installed correctly. RACV's off-grid solar systems provide reliable electricity in remote locations or for those aiming to reduce their environmental footprint or where a grid connection is not viable. How We Can Help You Right Now?

Our panel + battery combo maximizes output, reduces grid reliance, and qualifies for Australian government rebates. Designed for long-term savings. Rebates Made Easy We handle all the paperwork — from claiming rebates to ongoing system maintenance — so your solar investment stays worry-free. Arrived very quickly, just a few days. Nice product, fast service - two thumbs up! Quick Delivery. Easy to install and setup Best price I could find for this simple mount anywhere. Delivered in as little a 2 days! You can return it within 60 days! Found a better price?

If we can't beat it.
