

Outdoor power supply capable of storing 15 kWh of electricity

Overview

Discover the ultimate solution for your energy needs with our cutting-edge 15kWh Portable Power Station. Ideal for a variety of applications, including home backup and emergency power, this power station offers unparalleled performance and reliability. In a breakthrough move for 2024, we present the FORCE 15K - the inaugural lithium iron phosphate power station by Mammoth RE that genuinely powers your entire home or off-grid property. Equipped with premium Grade-A LFP (Lithium Iron Phosphate) cells, this. Battery Storage Unit, 15 KWH, 10 KW Continuous, 120/240V AC, Lithium Iron Phosphate Battery, NEMA 3R and IP56, Indoor/Outdoor Rated, 45. **Images may have components not included with each Power Kit package. Available Packages. The EcoFlow 15kWh Independence Power Kit allows you to quickly build a sizeable electrical system for your van/off-grid home using LFP batteries, Power Hub, Monitor and the AC/DC Distribution Panel. Energy is delivered to manageable loads and passed along to the batteries.
