Geographical Location: Situated in West Africa, Togo is a narrow strip bordered by Ghana to the west, Benin to the east, Burkina Faso to the north, and the Atlantic Ocean's Gulf of Guinea to the south. From the 2018 roundtable, to draw the national electrification strategy, to the launch of the Blitta photovoltaic power plant, Togo strives. Several studies show that solar panels boost sale prices Suntec Togo SARL acts as investor and operator of Agri-PV plants in Togo and is specialized in financing and project development of small-scale and challenging renewable energy projects in emerging West African markets.
