

Scopry Photovoltaic Outdoor Energy Storage Cabinet 500kW Bidding Price

Overview

We guarantee best pricing for complete 500kW 500V 1000Ah stand-alone energy storage bank. Automatic Switch to charge loads, batteries or from Grid backup with priority setting function; Lithium Battery and GEL storage battery compatible with almost all types of inverters; Comprehensive WIFI monitor for electricity production and consumption data, to check your investment payment on. Product Datasheet Download Outdoor energy storage cabinet integrates energy storage battery, modular Pcs, energy management monitoring system, power distribution system, environmental control system and fire control system. Adopting modularized pcs, it is easy to maintain and expand capacity, and. SunArk Power is a leading global energy storage solution and service provider. It is available in a variety of configurations, to provide the ideal system size for a range of project requirements.
